

## **1. GLAMPING IN BIG SUR, CALIFORNIA**

To one degree or another, we're all looking for places that make it easier to breathe, but at the same time, leave us breathless. Big Sur is one of those places. And Ventana's Glampsites put you in the middle of it all. Sleep deeply on a custom-designed glamping mattress and premium linens in your safari-style canvas tent. Marvel at the views of a 20-acre canyon. Light up the fire pit, make s'mores and tell stories or just let the landscape do all the talking. You'll experience the full splendor of Big Sur, while still relishing all the amenities and services of a world-class resort. The Canyon Glampsites are exclusive, private and seemingly a world away. There is even an elegant twist on one of the least-enjoyable aspects of outdoor living, with a brand-new glamping Bath House offering teak-enclosed showers, heated floors, full hotel amenities, marble vanities and gleaming restroom facilities. This isn't camping — it's glamping. And your site is ready and waiting. This incredible experience for 2 includes:

- 2 nights in a Redwood Canyon Glampsite (valid Sundays through Thursdays)
