CounselingWorks

What is CounselingWorks?

CounselingWorks provides professional counseling for children, teens and adults. Our therapists have been trained in a variety of therapeutic modalities and can address many different life challenges and struggles. With a network of more than 30 licensed Christian counselors serving our offices in Dallas and Fort Worth, we offer programs and services designed to empower children, individuals, couples, and families towards healing and restored hope for a healthier life.

Counseling sessions are offered in both English and Spanish.

How often do I come to counseling?

At CounselingWorks, we are here to meet your personal goals. Most of our clients attend 50-minute counseling sessions once a week. Once you attend an initial counseling session, our counselors will work with you to determine what session timeline would be most beneficial for you from your financial and life obligations.

How do I pay for counseling?

We strive to make our services affordable for everyone. Our services are available on a sliding scale, based on family income. We do not take insurance, but many of our clients find that our fees are at or below the typical co-pay required at other counseling offices who do accept insurance.

When and where is CounselingWorks offered?

Counseling appointments are available at both the ChristianWorks Dallas and ChristianWorks Fort Worth offices. Our counselors are available Monday – Friday from 9 AM – 8 PM and Saturday from 10 AM – 4 PM.
