# JustFamily

JustFamily is a unique blended-family focused program designed to equip blended families with the unique tools to ensure their family's success. It is an eight-week program provided without charge at Christian**Works** for Children.

## **Why provide support services for blending families?**

JustFamily exists to provide a supportive environment for blended families to discover and gain helpful tools and skills to navigate the everyday challenges that come when blending a family together.

## **Who should participate in our Just Family program?**

Children ages 5-18 and adults who are wanting to cultivate a place of belonging within the family. Groups are divided by 5-8, 9-12, 13-18 and adults. It is important and required for both spouses to attend the couples group so they may discuss the needs of each family member, effective parenting skills and their own wants and desires within the family unit.

## **What types of activities will participants be doing?**

Children can share their experiences and express their feelings through play including art, puppets, books, games and other creative activities under the supervision of trained, caring facilitators. And parents will be learning helpful tips with their children and sharing their own stories and desires with each other.
